

Make Your Own Velcro Hair Flowers

- Choose the color dot you want to use. Velcro dots available in black or white.
- Choose the color of rhinestones you want to use. You will need seven 30ss rhinestones per Hair Flower.
- Glue a rhinestone in the middle of the Velcro dot—we recommend either Gem-Tac or E6000 for this project.
- Glue six rhinestones around the center stone.
- Glue dry time varies – check the bottle or packaging of the glue you use.
